We are an organization like no other

We are an organization of dedicated individuals strong and growing. We are an organization that, since 1882, has embodied the selflessness of man helping to overcome the problems of the world, poverty, ignorance, and apathy, which imperil not only a single individual, but humanity as a whole. We are men of faith, comprising over 14,000 Knights of Columbus Councils at home and overseas.

Our membership in the state of IL is over 72,000. Our Columbia Council has over 300 members.

The Knights of Columbus is an organization driven by its goals for the future through the following five areas of service.

Our Blood Drives allow the community and the parish to give the gift of Life.

CHURCH

We lead the rosary before weekend Mass in May and October. We sponsor a living rosary. We support our Priests.

COMMUNITY

We sponsor blood drives, participate in Columbia Daze and run the food stand. We support the July 4th Committee financially and operate a concession stand. We support Citizens with Intellectual Disabilities through our annual Tootsie Roll Drive. We conduct a diaper drive to support Life Network Pregnancy Care Center. We sponsor monthly card lotto for residents of Columbia Convalescent Center.
